COMMENTS FROM THE TOWN MANAGER'S OFFICE

A letter from the State Department of Health and Welfare was received this week. The letter deals with necessary reductions that will have to be made in public assistance expenditures. As most people will probably remember there was a lot of discussion and controversy when the state legislature considered and acted upon the Health and Welfare portion of the current budget. The legislature did not allow all of the Health and Welfare requests and this has made it necessary for the department to cut back on some of the public assistance programs.

The reduction in payments to certain of the public assistance categories and the change of eligibility requirements will increase the general relief load for the town. It now appears that the major portion of the extra burden that the town must bear will come from present public assistance cases that are discontinued and other cases that will not qualify because of eligibility changes.

No estimate can be made of the total effect the changes will have on the town until the state has thinned out the public assistance caseload to the number it can take care of. Every effort will be made to keep the cost of local welfare at a minimum.

The frame on the four-wheel-drive International has been straightened and reinforced. The winter said is all stockpiled and the plow equipment has been installed on all the equipment.

BISHOP LORING GUEST AT EPISCOPAL PARTY

The fall party of the Chapel of Christ the King (Episcopal) was held at the Sudbury Inn Sunday-afternoon, Nov. 3. Bishop and Mrs. Oliver L. Loring, D. D., of the Diocese of Maine were honored guests at the party. Some 30 persons, taking advantage of the services at the Chapel of Christ the King, including about 20 students from Gould Academy were present to enjoy the social affair. The party was planned by members of the congregation and The Rev. Charles Nelson, priest-in-charge, as a part of the Patronal Feast of the Chapel and which completed the Octave of the Feast of Christ the King.

In addition to attending the Chapel Party, Bishop Loring inspected the Chapel arrangement in the Odd Fellows building. He commented very favorably about the new kneeling bench and the 12 chapel chairs which have been donated. He was fascinated with the system which will provide both organ music and hymns for the services.

After the party, Father and Mrs. Nelson were host to the Bishop and Mrs. Loring, and Mr. and Mrs. Edmond Vachon for dinner at the Red Rooster dining room.

CAPT. LORD IN VIETNAM

The following article was sent home this week by Pfc. Bartlett Hutchinson, who is in Japan. Imagine Bartlett's surprise when he opened up his copy of "Pacific Stars & Stripes," Monday, Oct. 28, 1963, and found a two-page spread with excellent pictures of a neighbor from Bethel, Maine, USA. The article by S-Sgt. Steve Stibbens, was entitled: Words Are The Only Ammo in This Jungle War.

The article was as follows: Kontum, Republic of Vietnam—A young American captain here is using guns in stead of bullets to battle the communist Viet Cong -- and what's more, he's winning.

Army Capt. Donald Lord, of Bethel, Me., is the psychological warfare adviser to the 22d Vietnamese Inf. Div., based at Kontum, some 265 miles north of Saigon.

His weapon is a tape recorder and persuasive ingenuity. I went along with Lord on what has since been called the most successful "psy war" operation yet in Vietnam.

A battalion of Viet Cong guerrillas had raided two strategic hamlets a few nights earlier. They burned several thatched houses and herded some 2,000 montagnard villagers off to the jungle.

Troops of the 40th Inf. Regt. chased the fleeing guerrillas, forcing them to abandon their hostages.

Lord's job was to persuade the frightened villagers to return to their hamlets, where continued on page four

LOCAL CHAMBER REACHES DECISION

The Bethel Chamber of Commerce, meeting Tuesday night at the Sudbury Inn, reached an important decision that should have a wide-spread effect on the Bethel area and the future of the Chamber itself.

After several months of study and preparation, the special committee presented to the Chamber of Commerce a revised constitution and by-laws so framed as to give a wider range to its interests and a larger area from which to draw its membership.

The pertinent points were, change in name from the Bethel Chamber of Commerce to the Bethel Area Chamber, and the provision of a classified membership and dues structure that would give the Chamber more money for the kind of area promotion that ought to be done.

When the question came up about women belonging to the Chamber, the matter was easily settled when the president said, "Sex as such is no concern of the Chamber. Anyone in a business or profession, or interested in the work of the Chamber is eligible for membership. The membership committee does not ask a proposed member whether he is a man or woman."

The entire evening was spent in considering each article for meaning and working in order to create a working set of rules by which the Chamber could effectively work. The climax of the meeting came when the members voted unanimously to accept the new constitution and by-laws as finally edited and made the date of operation to be its Annual Meeting date of January 7, 1964.

The Chamber voted to accept the responsibility of erecting the Christmas street lights, done so efficiently in previous years by the Lions Club and the Junior Chamber of Commerce.

It was also voted that the president immediately appoint

YOUTH LOST, FOUND UNHARMED

A teenaged hunter, reported lost by his mother when he failed to return home for supper, Wednesday, was found unharmed.

William E. Sweatt, 18, was found behind the Woodland Cemetery, Songo Pond Road, by a search party at about 8 o'clock.

State Trooper William Bickford said Mrs. William Sweatt notified him at 6:30 p. m. Mrs. Sweatt told officials her son had purchased a gun in the afternoon and had gone hunting in the area, and had not returned as darkness descended.

Trooper Bickford, Game Warden Alden Kennett and the youth's brother-in-law, Ronald Snyder, found him near the cemetery.

Volunteers, including radio-equipped mobile units, were used with Fire Chief R. S. McMillin's walkie talkie units in efforts to locate the missing hunter.

EVENING EXTENSION TO MEET

The Bethel Evening Extension will meet Tuesday, Nov. 12, at the Methodist Church dining room at 6:30 p. m. This is "Know-Your-Neighbor" month and a delicious Brazilian supper will be served to the members by Abbie Brown, Caroline Merrill and Alberta Merrill. Other features of the meeting will be election of officers for the ensuing year and a short study of Brazil.

A Committee that would start the work of Winter promotion of the area.

In closing the meeting, the president, Rev. Clifford Laws said, "Tonight the Chamber has really launched itself on an important career."

Daryl Brown of Lewiston spent the week end with his father, John Brown.

20 SECONDS with the NAZARENE

On Nov. 11, we celebrate the ending of a war which we believed would end all wars. In 45 years since that war we have sought peace by counseling with men, and have seen more war than in all previous history combined.

Christ declared: "My peace I give unto you; not as the world giveth...." Isn't it time that our search for peace included counsel with God?

LORD IN VIETNAM

continued from page one they would have food, shelter and clothing.

As we made sweeping circles over the hilly and wooded terrain, there was no sign of life. The 2,000 primitive-living montagnards had melted into the countryside.

Then we spotted a water buffalo. CWO Joe Hamilton swung the UH-1B copter around. Lord turned on his portable tape recorder and the strange-sounding montagnard dialect blared out from eight large speakers mounted on the side of the helicopter.

One of the village chieftains, knowing the Viet Cong would execute him, had hidden in a cave after he used up his ammunition during the attack. Afterward, Lord had him record a message to his people, telling them that all was well in the village, the soldiers had come, and asking that they return.

After a few circles around the area, a head appeared at the jungle's edge. Then two more: and another. Before long, at least 50 half-naked tribesmen came out and began walking down a narrow footpath. By nightfall, they would be back inside the hamlet.

"That village chief staying behind was the greatest thing that ever happened to us," Lord said. "The people respond to a voice they recognize. Otherwise we'd probably never see half of them again."

A few minutes later, Lord proved his point. A group of montagnards were clustered near a stream, looking up at the helicopter but refusing to make any move toward the hamlets.

The ship sat down nearby and Lord ran over to find that one of the men had an injured foot and couldn't walk. He refused to get aboard the helicopter and the people refused to move.

The copter took Lord back to the village chief. He learned that these people were from the other hamlet, barely a mile away but speaking a different dialect and not recognizing the voice on Lord's recorder.

Lord rounded up the acting chief of the other hamlet and took him along. The injured man happily jumped in the helicopter and the others picked up

Mr. Stickney is married to the former Nancy Carver of Bethel and has three children. Youngest is a prominent North Salem family, he has three brothers and two sisters. He was graduated from Woodbury high school in 1952. A graduate of New England College with a degree of civil engineering he later attended Pennsylvania State University for advanced work in nuclear engineering.

His experience includes assignments with the Morrison Knudsen Co., of Portsmouth, N. H., and Massena, N. Y., in heavy construction; and the State of New Hampshire Department of Public Works and Highways in its survey and construction divisions. He has been at Wentworth for four years in engineering teaching.

SENIOR CITIZENS

Tuesday, November 12, is the date of the next meeting of the Senior Citizens. This meeting is to be in the Grange Hall at Hunts' Corner.

Rev. C. R. Patnode is musical director of the group. Robert Frost will be the subject of a talk by Rev. Herbert Stevens and Mrs. Barbara Douglass will tell about her work.

their belongings and started back.

Then the new chief took the microphone and began an excited appeal to his people as the helicopter circle the trees and rice fields.

The only job now was finding the scattered montagnards. Lord beamed everytime a handful of people walked out of the jungles.

"I think I have the best job in Vietnam," he often said. "Where else can anyone see such direct results of his work?"

As the sun began to set and we headed back, the trails leading to the villages were alive with long lines of men, women and children. Within four days, most of the montagnards had returned. The rest were coming.

From past experience in conducting our annual parents' visitation night, we have found that many teachers did not have time to consult with all the various parents that wished to talk with them. This has also proven to be a problem for parents who had several rooms to visit.

Therefore, it seems to be advisable to make an attempt to set up a schedule that will allow maximum use of time.

It is to be understood that this visitation night is definitely not for the purpose of parent-teacher conferences. This visitation is primarily to give the teachers an opportunity to communicate to the parents their goals in their own rooms and particular situations. There can be a general discussion also concerning.

GOULD ACADEMY

On Wednesday afternoon, Nov. 6th, Gould Academy presented Miss Ruth Lagesen, an accomplished pianist and conductor from Tonsberg and Oslo, Norway. Headmaster Edmond J. Vachon heard about her from people he met in Norway during his trip last year. Her concert was presented in Bingham Hall on the Academy campus.

State Cross Country Meet. On Oct. 31 at Orono the State cross-country meet was held. The Gould team placed 4th in a field of 30 schools, with Vaughn Damone finishing 6th out of 200 runners.

Meet at Hebron Academy. Gould Academy cross-country team, undefeated in regular season competition, scored 46 points to defend successfully its Western Maine Conference title of the Hebron Academy 2.5 mile course on Tuesday, Nov. 5. In taking individual honors, Gould's Vaughn Damone lowered the Hebron course record

by 30 seconds, finishing in 14:01. Other scorers for Gould: Bruce Lane, 4th; John Lombard, 8th; Andy Buck, 11th; and Ray Saunders, 22nd. Captain Tony Chapman presented the championship trophy to Mr. Vachon at Wednesday morning assembly.

Gould 13—Fryeburg 7. In one of the biggest upsets of the season Gould Academy added another in its long line of victories over a heavily favored undefeated Fryeburg Academy eleven. It was a great team effort by the Huskies and helped to give the Bethel team a winning season with a 4-3 record.

Gould's first T. D. came with a 50 yard march halfway thru the first period. The passing of Mike Chretien and a steady ground-gaining attack covered the 50 yards with four first downs. Jim Corriveau finally plunged over from the one yard line and then place-kicked the extra point.

Gould continued to outplay the home team as they marched 60 yards in the second period to score again. Corriveau on a 7 yard sweep again hit paydirt but then failed on the conversion. Gould led 13-0 at the half. Fryeburg's only score was set up by a Corriveau punt blocked by the Eagle's Bob Mitchell on the Gould 15 yard line. Larry Gallagher plunged over for the Fryeburg T. D. and place kicked the extra point.

In the final stanza Gould again took control, outplaying the losers, and came very near scoring again as they were stopped on the two yard line. The game ended with the Huskies on their final offensive effort.

Cross-Country Team Posts Fine Season Record. Undefeated in six scheduled meets, Gould Academy's runners had victories over Oxford Hills, Fryeburg Academy, Bridgton, Portland, Mechanic Falls, Phillips and Hebron Academy. They were tied by the Pintos of Mexico 27-27 in the second meet of the season in which Bridgton High was the third competitor. One of the big factors in Gould's success was the great running of sophomore Vaughn Damone, who finished first in all six meets. Other scorers for Gould during the season were Capt. Tony Chapman, Andy Buck, Bruce Lane and John Lombard.

CITIZEN BAND NOTES

The Bethel CB Monitors elected officers at their meeting on Monday evening at the Firemen's Rooms. Those elected were: President, John Brown; Vice President, Errol Donahue; Secretary, Mrs. Barbara Godwin; Treasurer, Eldon Greenleaf; Coordinator, John Greenleaf; Asst. Coordinator, Thomas Kennagh.

On Tuesday evening the Androscoggin Valley CB Club held their November meeting at the Community Room.

Five local CBers participated in the fire patrol set up Saturday, Oct. 26. On the first shift, Errol Donahue patrolled Area One, East Bethel road; and Area Two, Grover Hill, Songo Road, Paradise Hill, Route 35, and Northwest Bethel was patrolled by John Brown. On the second shift Shirley Chase patrolled Area One and Eldon and John Greenleaf patrolled Area Two. All points of both Areas were in constant contact with a set base station throughout the patrol. It is felt that in case of fire, an organized group of CB operators could be of great assistance.

It was by luck that one of our neighboring CBers, KBA 9718, Bob Guay of Gorham, N. H., happened by at the time Warren Merrill had his serious accident. Mr. Guay promptly radioed for help. He was promptly answered by Mrs. Larry Wheeler (KBC 9197), Shelburne, N. H., who summoned a New Hampshire ambulance. His call was monitored in this district also. Within minutes State Police and two ambulances were on the way. Larry Chandler (KBC 4629), also a CBer, of South Portland, was at his camp in the Bog. He quickly rushed to the scene of the accident to offer his services.

Citizen Band Radios are of great use when used properly. Local CBers have already been of help to motorists such as two weeks ago when an out-of-stater was in need of garage service. Larry Roberts (KBC 9408) of Mexico stopped to aid the man and called a local base station. In fifteen minutes the car trouble was solved and the person was on his way.

On Wednesday evening of this week several units of the local club were active in the search for the missing hunter in the Songo Pond Road area.

SADIE HAWKINS DANCE

The annual Sadie Hawkins dance at Bingham Hall on Saturday night was an outstanding success. The affair is sponsored by the Pilgrim Fellowship of the West Parish Congregational Church. Prizes for most appropriate costumes were won by Ed Dudley, Mike Chretien and Don Ferrara. The program featured a comedy skit by Dick Jacobs, Lorraine Eames, Sue Brown, Carol Flint, Martha Laws, Nancy Sargent, Bob Pierce, Jack Brooks, Richard Packard and David Thurston; also songs by Donnie and Kenzie Nowlin and their guitars. Chaperones for the evening were Rev. C. W. Laws, Mr. and Mrs. Murray Thurston and Mr. and Mrs. Richard Waldron.

PLAYERS PRODUCTION PLANS PROGRESSING

The Bethel Players met Tuesday evening at the home of Margaret Bean. According to production committee reports, plans are progressing on schedule for their first play, "You Can't Take It With You" to be held on Nov. 22 and 23 at Odeon Hall.

It was announced that Virginia Cole will head the ushers, etes to include Linda Lord, Genevra Bean and Gertrude Waldron.

Short entertainment numbers to be held between the acts of the play will be under the direction of Roland Glines.

Advanced tickets are going well and are still available at Bosserman's Pharmacy or from any members of the Bethel Players. Bethel citizens are urged to purchase their tickets early since a third nights performance will depend on these advanced sales and Bethel Players are interested in further boosting the Bethel Community Center Fund through the proceeds of an extra performance.

Purity Chapter observed guest officers night Wednesday evening, Nov. 6, with visitors from Rumford, Bryant Pond, Waterford, West Paris, Norway, Dixfield and Buckfield. District Deputy Grand Matron, Miss Jean Constantine, was present. Refreshments were served in the dining room following the meeting.
